

hello

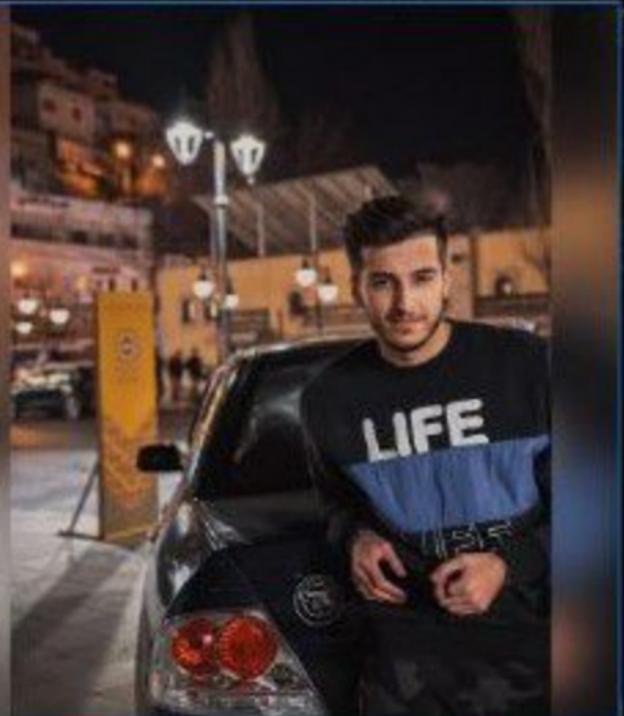

I'm

**TALAL GHUNIMAT**

Deployer program

An intern at Orange and I have done many projects and  
I learn programming languages and apply to them.

## About Me:

My name is **talal ghunimat** . I am a student in bolqa ashrafi university studying **computer science**.

I am 21 years old I was born in 2002. I living in **SALT** in jordan I am the firstborn in my brother. I am an enthusiastic, self-motivated, reliable, responsible and hard working person. I am a mature team worker and adaptable to all challenging situations. I am able to work well both in a team environment as well as using own initiative. I am able to work well under pressure and adhere to strict deadlines.

I love the computer and **coding** that is reason why I am in this. I am outgoing, dedicated, and open-minded. I get across to people and adjust to changes with ease. I believe that a person should work on developing their professional skills and learning new things all the time. Currently, I am looking for new career opportunities my current job position cannot provide.
